Subject: Overview of System Architecture

Dear [Client Name],

We are pleased to provide you with an overview of the system architecture for the project we are collaborating on. Below, you will find key components and their interactions, which will serve as a foundation for our upcoming discussions.

## 1. System Components

- **Frontend:** [Description of frontend technologies and frameworks]
- **Backend:** [Description of backend technologies and server architecture]
- **Database:** [Description of the database system and schema]
- **APIs:** [Overview of any APIs used for communication]
- **Cloud Services:** [Details of cloud services utilized]

## 2. Architecture Diagram

[Insert a link or an image of the architecture diagram]

## 3. User Flows

[Brief explanation of user flows and how they navigate through the system]

## 4. Next Steps

We would like to schedule a meeting to discuss this architecture overview in detail and answer any questions you may have. Please let us know your availability.

Thank you for your attention. We look forward to continuing our collaboration.

Sincerely,
