Subject: System Architecture Overview for Team Alignment

Dear Team,

I hope this message finds you well. As we progress with our project, it's essential that we align on the system architecture to ensure all team members have a clear understanding of the components involved.

1. Overview of the Architecture

Our system architecture consists of the following key components:

- Frontend: [Description]
- Backend: [Description]
- Database: [Description]
- API: [Description]
- Services: [Description]

2. Communication Flow

The communication flow between components is as follows:

1. [Component A] communicates with [Component B]
2. [Component C] sends data to [Component D]
3. [User] interacts with [Frontend Component]

3. Responsibilities

Each team member's responsibilities regarding the architecture are outlined below:

- [Team Member 1]: [Responsibilities]
- [Team Member 2]: [Responsibilities]
- [Team Member 3]: [Responsibilities]

4. Next Steps

We will hold a meeting on [Insert Date] to discuss this overview in detail and address any questions or concerns. Please review the architecture diagram attached for better visualization.

Thank you for your attention to this important matter. Your input is crucial for our collaborative success.

Best Regards,
