Dear [Recipient's Name],

We are pleased to announce our commitment to implementing a Carbon-Neutral IT Framework within our organization. Recognizing the impact of technology on the environment, we aim to significantly reduce our carbon footprint and contribute to global sustainability efforts.

This framework will involve the following key initiatives:

- Transitioning to energy-efficient data centers.
- Utilizing renewable energy sources for our IT operations.
- Implementing sustainable procurement policies for hardware and software.
- Encouraging remote work and digital collaboration to reduce travel emissions.
- Regularly assessing and reporting our environmental impact.

By adopting this framework, we not only comply with environmental regulations but also pave the way for innovation and cost savings. We are committed to fostering a culture of sustainability among our employees and stakeholders.

We look forward to working together towards a greener future. Thank you for your support in this important initiative.

Sincerely,
