Dear [Recipient Name],

We are pleased to present our proposal for the IT Resource Conservation Project aimed at optimizing our technology usage and minimizing our environmental impact. The project's primary goals include:

- Reducing energy consumption in our data centers by [specific percentage].
- Implementing a recycling program for old IT equipment.
- Educating employees about sustainable IT practices.

We believe that this initiative will not only reduce operational costs but also enhance our corporate social responsibility efforts. We would appreciate the opportunity to discuss the proposal further and explore potential collaboration.

Thank you for considering our project. We look forward to your positive response.

Sincerely,
