Subject: Cargo Security Directives for Transportation Teams

Dear Team,

As part of our ongoing commitment to ensuring the security of our cargo during transportation, please review and adhere to the following directives:

1. All team members must complete the required security training prior to handling cargo.
2. Have a security checkpoint at every loading and unloading location to account for all cargo.
3. Verify the identity of all personnel accessing restricted cargo areas.
4. Report any suspicious behavior or security breaches immediately to the designated security officer.
5. Ensure that all cargo is sealed and secured properly before transportation.
6. Conduct regular checks of vehicles before and after transportation for any sign of tampering.
7. Maintain a log of all cargo movements and ensure timely updates to the central security database.

Your cooperation and diligence in enforcing these directives are crucial to maintaining the integrity and security of our cargo operations. Please acknowledge receipt of this directive by signing and returning the attached form.

Thank you for your attention to this important matter.

Sincerely,
