Subject: Request for Cybersecurity Audit

Dear [Recipient's Name],

I hope this message finds you well. As part of our ongoing commitment to ensuring compliance with industry standards and protecting our sensitive data, we are initiating a cybersecurity audit.

The audit aims to assess our current cybersecurity posture and identify potential areas for improvement. We believe this process is vital for maintaining the trust of our stakeholders and complying with regulatory requirements.

We request your assistance in providing the necessary documentation and access to relevant systems. Specifically, we would like to review the following:

- Existing security policies and procedures
- Access control measures
- Incident response plans
- Network architecture diagrams
- Recent security assessment reports

Please let us know a suitable time for us to discuss this further and to arrange access to the required information. Your cooperation in this audit is greatly appreciated.

Thank you for your attention to this important matter. We look forward to your prompt response.

Best regards,
