Dear [Recipient Name],

As part of our ongoing commitment to internal risk management and to ensure compliance with our cybersecurity policies, we are requesting a comprehensive audit of our systems and protocols. This audit will help us identify vulnerabilities and strengthen our security posture.

Please consider the following objectives for the audit:

- Assessment of current cybersecurity policies and procedures
- Identification of potential vulnerabilities in our infrastructure
- Recommendations for improvement and mitigation strategies

We would appreciate if you could start this process by [Insert Start Date] and aim to complete the audit by [Insert Completion Date]. Your insights will be invaluable in enhancing our risk management framework.

Thank you for your attention to this important matter. Please let us know if you have any questions or require further information.

Sincerely,

[Your Name]
