Subject: Internal Audit Operational Framework Overview

Dear [Recipient Name],

As part of our commitment to ensuring compliance and operational efficiency, I am pleased to present the Internal Audit Operational Framework. This framework aims to outline the processes and methodologies that our internal audit function will employ to effectively evaluate the adequacy and effectiveness of our organization's governance, risk management, and control processes.

Objectives

The primary objectives of our internal audit function include:

- Assessing the effectiveness of internal controls
- Identifying areas for operational improvements
- Ensuring compliance with relevant laws and regulations

Scope

The scope of our internal audit activities will include:

- Risk assessments
- Compliance audits
- Operational reviews

Methodology

Our audit methodology will encompass:

- Planning and scoping procedures
- Fieldwork and gathering of evidence
- Reporting and follow-up activities

We believe that the successful implementation of this operational framework will enhance the overall governance and risk management capabilities of our organization. Your cooperation and support are crucial to the success of our internal audit initiatives.

Thank you for your attention to this important matter. Should you have any questions or require further details, please feel free to reach out.

Sincerely,

[Your Name]
