

Subject: Proposal for a Joint Social Media Initiative

Dear [Recipient's Name],

I hope this message finds you well. I am writing to propose a collaborative social media initiative between [Your NGO's Name] and [Recipient's NGO's Name]. Given our shared commitment to [common cause/goal], I believe that a joint effort can amplify our outreach and impact.

Here are some ideas we could explore:

- Co-hosting online events or webinars to discuss key issues.
- Creating and sharing engaging content that highlights our missions.
- Running a joint campaign using a dedicated hashtag to increase visibility.

I would love to discuss this idea further and explore how we can work together effectively. Please let me know your thoughts, and if you're interested, we can schedule a meeting at your convenience.

Thank you for considering this proposal. I look forward to your positive response.

Best regards,
