Dear [Recipient Name],

We hope this letter finds you well. We are reaching out on behalf of [Your NGO Name], an organization dedicated to promoting sustainable energy solutions and fostering community resilience through clean energy initiatives.

In light of the increasing challenges posed by climate change and energy poverty, we propose a partnership aimed at advancing clean energy projects that align with our mutual goals. Our experience in [briefly describe your NGO's experience, e.g., renewable energy projects, community engagement] uniquely positions us to collaborate effectively.

We envision a cooperation framework that includes:

- Joint research and development initiatives focused on renewable technologies.
- Capacity-building workshops for communities to harness clean energy solutions.
- Awareness campaigns to promote the benefits of clean energy adoption.

We believe that together, we can make a significant impact in [specify target area or population], and we would be thrilled to explore this opportunity further with your team. We are open to discussing how our partnership can be structured to maximize benefits for all stakeholders involved.

Please let us know a suitable time for a meeting, or feel free to contact us directly at [Your Contact Information]. We look forward to the possibility of working together towards a sustainable and clean energy future.

Thank you for considering this proposal.

Sincerely,
