Dear [Recipient's Name],

We are writing to propose a collaborative effort between [Your NGO Name] and [Recipient's NGO Name] to promote fair trade initiatives within our communities. As organizations dedicated to fostering equitable economic practices, we believe that together we can amplify our impact and reach a broader audience.

Our goal is to create opportunities for marginalized producers and artisans, ensuring they receive fair compensation for their products. By combining our resources, expertise, and networks, we can advance our mission effectively and create sustainable partnerships that benefit all stakeholders involved.

We suggest scheduling a meeting to discuss this collaboration further and explore potential projects that align with our shared vision for fair trade. Please let us know your availability for the upcoming weeks.

Thank you for considering this opportunity. We look forward to the possibility of working together to promote fair trade initiatives.

Sincerely,
