

Dear Valued Members,

We hope this message finds you well. In light of the ongoing health situation, we want to ensure that our fitness center remains a safe and welcoming environment for all our members. To comply with social distancing guidelines, we have implemented the following measures:

- Reduced capacity in all workout areas to allow for adequate space between members.
- Marked floor areas to indicate safe distances in waiting zones and cardio sections.
- Scheduled workout sessions to limit the number of members present at any given time.
- Regular cleaning and sanitization of all equipment before and after use.
- Hand sanitizing stations available throughout the facility.
- Mandatory face coverings in all common areas.

Your safety is our top priority, and we appreciate your cooperation and understanding as we implement these important measures. Together, we can maintain a healthy and safe environment for everyone.

If you have any questions or suggestions, please feel free to reach out to our staff. Thank you for being a part of our community.

Sincerely,

The Management Team
