

# **Subject: Implementation of Electricity-Saving Measures**

Dear [Recipient's Name],

As part of our ongoing commitment to sustainability and reducing our environmental footprint, we are implementing a series of electricity-saving measures at our exercise venues. These initiatives are designed to promote energy efficiency while maintaining the quality of services you expect from us.

## **Electricity-Saving Measures:**

- Encouraging the use of natural light by keeping blinds open during daylight hours.
- Switching to energy-efficient LED lighting throughout the facility.
- Implementing scheduled maintenance checks for all electrical equipment to ensure optimal performance.
- Utilizing programmable thermostats to regulate heating and cooling.
- Encouraging all staff and members to turn off lights and equipment when not in use.

We appreciate your support in implementing these measures. Together, we can contribute to a more sustainable future while enjoying our exercise facilities comfortably.

Thank you for your cooperation.

Sincerely,
