

Letter of Commitment to a Toxin-Free Fitness Center Environment

Date: _____

To: [Fitness Center Name] Management

Dear [Manager's Name],

I, [Your Name], am writing to express my commitment to maintaining a toxin-free environment within [Fitness Center Name]. I recognize the importance of promoting health and wellness not only through physical exercise but also by ensuring that our surroundings are free from harmful substances.

As a member of this fitness community, I understand the potential risks associated with toxins in our fitness environment, including cleaning products, air quality, and materials used in equipment. I pledge to:

- Support the use of eco-friendly and non-toxic cleaning supplies.
- Encourage practices that improve indoor air quality.
- Participate in initiatives aimed at minimizing waste and promoting sustainability.
- Report any concerns regarding potential toxins or harmful substances to management.

Together, we can create a healthier space that aligns with our shared values of wellness and sustainability. I look forward to working with both the management and my fellow members to ensure a toxin-free fitness environment.

Thank you for your commitment to a healthier future for all of us.

Sincerely,

[Your Name]
