

# Manuscript Rejection Feedback

Dear [Author's Name],

Thank you for submitting your manuscript titled "[**Title of Manuscript**]" to [Journal Name]. After careful consideration and multiple rounds of review, we regret to inform you that we are unable to accept your manuscript for publication.

The decision was made based on the following factors:

- The manuscript did not align sufficiently with the scope and focus of our journal.
- The reviewers noted several significant methodological concerns that need to be addressed.
- Some aspects of the analysis were deemed insufficiently robust to support the conclusions drawn.
- While the topic is of interest, it lacks novel insights that are expected in submissions to [Journal Name].

Please understand that this decision reflects the consensus of the editorial team along with the feedback from reviewers. We encourage you to consider their comments constructively as you revise your work for submission elsewhere.

We sincerely appreciate the opportunity to review your manuscript and wish you the best of luck in your future research endeavors.

Thank you for considering [Journal Name] as a potential venue for your work.

Sincerely,
