

Manuscript Rejection Feedback

Dear [Author's Name],

Thank you for submitting your manuscript titled "[*Manuscript Title*]" to [Journal Name]. We appreciate the opportunity to review your work.

After careful consideration, we regret to inform you that we cannot accept your manuscript for publication in its current form. The review process revealed several key areas that require significant improvement, including [briefly mention areas of concern, e.g., methodology, data analysis, clarity of writing].

We encourage you to address these issues and consider resubmitting your manuscript once revisions have been made. We believe your research has the potential to contribute valuable insights to the field, and we would be pleased to revisit it after enhancing its clarity and rigor.

Thank you once again for your submission. We wish you the best of luck with your revisions and hope to receive your resubmission in the future.

Sincerely,

[Your Name]
