

Dear [Author's Name],

Thank you for submitting your manuscript titled "[Title of the Paper]" to [Journal Name]. After careful consideration by our editorial team and reviewers, we regret to inform you that we are unable to accept your paper for publication.

The primary reason for this decision is that the data presented in the manuscript do not sufficiently support the conclusions drawn. The reviewers noted that additional experiments or data analysis are necessary to strengthen the overall findings.

We encourage you to consider the feedback provided by the reviewers in order to enhance your manuscript. Should you choose to address these concerns and submit again, we welcome your revised work in the future.

Thank you for considering [Journal Name] for your research. We wish you the best of luck with your future submissions.

Sincerely,
