

Research Paper Rejection Notification

Date: [Insert Date]

Dear [Author's Name],

We hope this message finds you well. We appreciate the submission of your paper titled "[**Paper Title**]" to [Journal/Conference Name]. After careful consideration and peer review, we regret to inform you that we cannot accept your manuscript for publication.

The primary reason for this decision is the lack of clarity in the research questions posed within your paper. The reviewers noted that the objectives of your study were not well-defined, which hindered a thorough evaluation of your methodology and findings. It is crucial for research to have clearly articulated questions to guide the investigation and illuminate the significance of the results.

We encourage you to refine your research questions and resubmit your work to the same or different publication in the future. We value your contribution to the field and look forward to your future submissions.

Thank you for considering [Journal/Conference Name] for your research.

Sincerely,

[Your Name]
