

Conference Research Proposal Critique

Date: [Insert Date]

Dear [Author's Name],

Thank you for submitting your research proposal titled "[Title of the Proposal]" for consideration at [Conference Name]. I appreciate the time and effort you invested in this work. Below are my critiques:

Strengths:

- Well-defined research question that addresses a significant issue in [Field].
- Thorough literature review that establishes the context of the study.
- Clear methodology that is appropriate for the research objectives.

Areas for Improvement:

- Theoretical framework could benefit from further development to enhance clarity.
- Consider expanding the sample size to increase the generalizability of the results.
- Clarify the expected outcomes and their implications for [Field/Practice].

Overall, I believe your proposal has great potential, and with some revisions, it could be a strong contribution to [Conference Name]. Thank you again for your submission. I look forward to seeing the revised version.

Best regards,
