

# Feedback on Your Research Proposal

Dear [Researcher's Name],

Thank you for submitting your research proposal titled "[**Proposal Title**]". I appreciate the effort you have put into your work. After reviewing your proposal, I have provided some feedback that may help strengthen your research.

## Overall Impression

[Provide a brief summary of your overall impression of the proposal]

## Strengths

- [Highlight specific strengths, such as clarity, originality, or depth of research]

## Areas for Improvement

- [Point out specific areas that need improvement, such as methodology, literature review, or framing of research questions]

## Suggestions for Revision

[Offer concrete suggestions to enhance the proposal]

I encourage you to revise your proposal based on this feedback and resubmit it for review. I look forward to seeing your revised work.

Best regards,

[Your Name]

[Your Position]

[Your Institution]
