Dear [Contributor Name],

We are pleased to confirm your contribution to [Journal/Conference Name]. To ensure the integrity and ethics of the publication process, we kindly ask you to adhere to the following guidelines:

1. All authors must have made a significant contribution to the work.
2. Originality and plagiarism: The work should be your own and must not be published elsewhere.
3. Conflict of interest: Disclose any potential conflicts of interest that may arise from the research.
4. Authorship: Ensure that all individuals who qualify for authorship are included.
5. Research ethics: Comply with ethical standards regarding human or animal subjects.

By signing below, you acknowledge your understanding and compliance with these publication ethics.
