

Publication Ethics Guidelines for Authors

Dear [Author's Name],

Thank you for submitting your manuscript titled "[**Manuscript Title**]" to [Journal Name]. We would like to remind you of the publication ethics guidelines that authors must follow:

1. Originality and Plagiarism

Authors must ensure that their work is entirely original. Plagiarism in any form is unacceptable and will lead to immediate rejection.

2. Authorship Responsibilities

All authors should meet the criteria for authorship and must be accountable for all aspects of the work.

3. Conflict of Interest

Authors must disclose any potential conflicts of interest that could influence the results or interpretation of their manuscript.

4. Ethical Approval

If the research involves human participants or animals, appropriate ethical approval must be obtained prior to submission.

5. Data Sharing

Authors are encouraged to share their data and materials where possible to promote transparency and reproducibility.

By submitting your manuscript, you agree to adhere to these ethical standards and to the policies outlined by [Journal Name].

If you have any questions or need further clarification, please do not hesitate to contact us.

Sincerely,
