Dear [Recipient's Name],

I am writing to formally accuse [Author's Name/Organization] of plagiarism regarding the work titled "[Title of Work]" published in [Publication Name] on [Publication Date]. It has come to my attention that significant portions of this work bear a striking resemblance to my original research titled "[Your Work Title]", which was published on [Your Publication Date].

Upon thorough examination, I found multiple sections in [Author's Work] that not only closely imitate the structure of my arguments but also utilize verbatim phrases without proper citation. This constitutes a serious violation of academic integrity and copyright laws.

In light of this evidence, I request an investigation into this matter and a prompt resolution, including the retraction or correction of the accused publication, as well as measures to prevent future occurrences.

Thank you for your attention to this serious issue. I look forward to your prompt response.

Sincerely,

[Your Name]
