Dear [Recipient Name],

I am writing to bring to your attention a serious concern regarding potential plagiarism in the recent academic submission titled "[Title of Submission]," authored by [Author(s) Name(s)] and submitted to [Journal/Conference Name] on [Submission Date].

Upon reviewing the submission, I identified several passages that closely resemble the work of [Original Author's Name or Source], published in [Title of Original Work or Source, Year]. This raises concerns about the originality and integrity of the submitted work.

It is essential for the academic community to uphold high standards of integrity and academic honesty. I urge you to further investigate this matter to ensure that proper credit is given and that ethical academic practices are maintained.

Thank you for attending to this important issue. I look forward to your response regarding the steps that will be taken in relation to this concern.

Sincerely,
