

# Guidelines for Manuscript Structuring

Dear Author,

We appreciate your interest in submitting your manuscript for publication. To ensure your submission meets our standards, please follow the guidelines outlined below:

## 1. Title Page

- Include the title of the manuscript.
- List all authors with their affiliations.
- Provide corresponding author's contact information.

## 2. Abstract

A concise summary of the study, not exceeding 250 words.

## 3. Keywords

Include 4-6 relevant keywords that represent the main topics of the manuscript.

## 4. Introduction

Present the background information and state the research question/hypothesis.

## 5. Materials and Methods

Detail the methodology used, including study design, participants, and statistical analysis.

## 6. Results

Summarize the findings, using tables and figures as necessary.

## 7. Discussion

Interpret the results, compare with existing literature, and discuss implications.

## 8. Conclusion

Provide a brief summary of the main findings and their significance.

## **9. References**

List all sources cited in the manuscript, following the specified citation style.

Thank you for adhering to these guidelines. We look forward to receiving your manuscript.

Sincerely,

[Your Name]

[Your Position]

[Your Institution]
