

Manuscript Submission Guidelines

Dear Author,

Thank you for considering our journal for your manuscript submission. Below are the guidelines to assist you in preparing your manuscript:

General Guidelines

- The manuscript should be in **Word** or **PDF** format.
- All manuscripts must be **double-spaced** with 1-inch margins.
- Font should be **12-point Times New Roman**.

Structure of the Manuscript

Your manuscript should include the following sections:

- **Title Page:** Title, authors, affiliations, and corresponding author's email.
- **Abstract:** A brief summary of the study (maximum 250 words).
- **Keywords:** A list of 5-7 keywords.
- **Main Text:** Introduction, methods, results, discussion, and conclusions.
- **References:** Use APA/MLA format as appropriate.

Figures and Tables

Each figure and table should be included at the end of the manuscript with appropriate captions. Please ensure:

- Figures are submitted in high resolution (minimum 300 dpi).
- Tables are editable and not embedded images.

Submission Process

Please submit your manuscript through our online submission system. Ensure that all files are correctly formatted and named appropriately.

We look forward to receiving your submission!

Sincerely,

The Editorial Team
