

Editorial Resubmission Guidelines

Dear [Author's Name],

Thank you for your submission of the manuscript titled "*[Manuscript Title]*" to [Journal Name]. After careful consideration, the editorial team has provided feedback and suggests the following guidelines for resubmission.

General Guidelines

- Ensure that all reviewer comments are addressed thoroughly in your revised manuscript.
- Highlight the changes made in the manuscript by using tracked changes or a summary document.
- Maintain the formatting as per the [Journal Name] submission guidelines.

Specific Instructions

1. Please revise Section [X] to incorporate the feedback regarding [specific comment].
2. Provide additional data or clarify points raised in the review concerning [specific issue].
3. Consider the suggested literature review and include any relevant citations in your revised manuscript.

The revised manuscript should be submitted by [resubmission deadline].

If you have any questions regarding this process, please do not hesitate to reach out.

Sincerely,

[Your Name]
[Your Position]
[Journal Name]
