Subject: Ethical Considerations for [Research Title]

Dear [Recipient's Name],

I am writing to outline the ethical considerations pertaining to my research proposal titled "[Research Title]." The purpose of this letter is to ensure that all aspects of the research comply with current ethical guidelines.

1. Informed Consent

Participants will be fully informed about the nature of the research and their role in it. Consent will be obtained in writing prior to their participation.

2. Confidentiality

All data collected will remain confidential and will be stored securely. Participants' identities will be protected in any published results.

3. Risk Assessment

A thorough risk assessment will be conducted to minimize any potential harm to participants. Measures will be in place to address any risks that may arise.

4. Institutional Review Board Approval

This study will be submitted for review and approval by the relevant Institutional Review Board (IRB) prior to commencement.

5. Debriefing

Participants will be debriefed after the study, offering them a chance to ask questions and provide feedback on their experiences.

I appreciate your attention to these important ethical considerations. I am committed to conducting this research with the highest ethical standards.

Thank you for your consideration.

Sincerely,
