

Guidelines for Reviewers

Dear [Reviewer's Name],

Thank you for agreeing to review the manuscript titled "*[Manuscript Title]*". Your expertise and insights are invaluable to the quality of our publication.

Review Process

Please adhere to the following guidelines while conducting your review:

- Evaluate the originality and significance of the work.
- Assess the methodology and the validity of the results.
- Consider the clarity of writing and organization of the manuscript.
- Provide constructive feedback and specific recommendations for improvement.
- Ensure confidentiality; do not share the manuscript with others.

Submission of Review

Once you have completed your review, please submit your comments and recommendations by [Deadline Date]. Use the review form provided with this letter.

We appreciate your contribution and the time you take to assist with this important process.

Sincerely,

[Your Name]
[Your Position]
