

Reviewer Assignment Clarification on Evaluation Criteria

Dear [Reviewer's Name],

Thank you for agreeing to review the manuscript titled "[**Manuscript Title**]". We appreciate your contribution to the evaluation process.

To ensure a thorough and consistent review, we would like to clarify the evaluation criteria that you should consider:

- **Originality:** Assess the novelty and uniqueness of the research.
- **Methodology:** Evaluate the appropriateness and rigor of the methods used.
- **Significance:** Consider the importance of the findings in the context of the field.
- **Clarity:** Review the clarity and quality of writing, including organization and grammar.
- **References:** Ensure that the work is well-cited and builds on relevant prior studies.

We encourage you to provide detailed feedback on each of these criteria, including any suggestions for improvement.

If you have any questions or need further clarification, please do not hesitate to reach out.

Thank you once again for your invaluable contribution.

Sincerely,
