Dear [Editor's Name],

I hope this message finds you well. I am writing to formally appeal the decision regarding the anonymity of the reviewers for my manuscript titled "*[Title of the Manuscript]*" (Manuscript ID: [Manuscript ID]).

I appreciate the time and effort the reviewers have dedicated to assessing my work. However, I believe that knowing the identities of the reviewers would greatly enhance my ability to address their comments and concerns effectively, specifically regarding [specific concerns].

Therefore, I kindly request the journal to consider revealing the identities of the reviewers, with the understanding that this information will be used solely for the purpose of improving my manuscript.

Thank you for your consideration. I look forward to your response.

Sincerely,
