Dear [Recipient Name],

I am writing to formally request the disclosure of the identities of the reviewers for my manuscript titled "[Title of Manuscript]" submitted on [Submission Date] to [Journal Name]. I believe that understanding the feedback provided and the credentials of the reviewers would enhance the transparency of the peer review process.

I appreciate the importance of anonymity in maintaining an objective review environment; however, I feel that in this case, knowing the reviewers' details would be beneficial for a more constructive revision of my work.

Thank you for considering my request. I look forward to your timely response.

Sincerely,

[Your Name]
