

Feedback on Manuscript Preparation

Dear Co-Authors,

I hope this message finds you well. I would like to share some feedback regarding our manuscript titled "[**Manuscript Title**]" in preparation for submission.

General Comments:

- The introduction could benefit from a clearer statement of purpose.
- Additional references should be included in the literature review.
- Ensure consistency in formatting throughout the document.

Specific Feedback:

[**Co-Author's Name**]:

- Please revise the methodology section to add more details.

[**Co-Author's Name**]:

- Consider rephrasing some of the complex sentences in the discussion section for clarity.

Next Steps:

Let's plan to incorporate these suggestions by [**Deadline Date**] to keep on schedule for our submission deadline. Please share your thoughts and any additional comments you might have.

Thank you for your hard work and collaboration.

Best regards,

[**Your Name**]
