Subject: Feedback on Thesis Manuscript Submission

Dear [Student's Name],

Thank you for submitting your thesis manuscript titled "[Thesis Title]" for review. I appreciate your hard work and dedication. After a thorough review, I have compiled some feedback to help you enhance your manuscript before the final submission.

General Comments:

- The overall structure of the manuscript is well-organized, but consider refining the introduction to provide a clearer research question.
- Ensure that all references are formatted according to [specific citation style].
- The abstract should include key findings and significance in more detail.

Specific Comments:

1. Page 5, Paragraph 2: Clarify the methodology used for data collection.
2. Page 10, Figure 3: Provide a legend to explain the symbols used.
3. Page 15, Conclusion: Summarize future research directions explicitly.

Please address these points and resubmit your manuscript by [insert due date]. Should you have any questions or need further clarification, feel free to reach out.

Best regards,
