Dear [Editor Name],

I hope this message finds you well. I am writing to resubmit our manuscript titled "[Title of Manuscript]" (Manuscript ID: [ID]) that we have revised in response to the reviewers' comments. We appreciate the insightful feedback provided by you and the reviewers, which has significantly improved the quality of our work.

In our revised manuscript, we have addressed all the comments and suggestions as follows:

- Response to Reviewer 1's Comment: [Brief Summary of Change]
- Response to Reviewer 2's Comment: [Brief Summary of Change]
- Response to Reviewer 3's Comment: [Brief Summary of Change]

We believe that the improvements made have strengthened our manuscript and that it is now suitable for publication in [Journal Title]. We are confident that our research findings contribute valuable insights to [Field of Study].

Thank you for considering our resubmitted manuscript. We are looking forward to your positive response.

Sincerely,
