Dear [Editor's Name],

I hope this message finds you well. I am writing to formally request the withdrawal of my article titled "[Insert Article Title]" (Manuscript ID: [Insert Manuscript ID]) that was submitted on [Insert Submission Date]. After careful consideration and discussion with my co-authors, we have reached a consensus that we no longer stand by the findings presented in this manuscript due to significant disagreements regarding the interpretation of the data.

We appreciate the opportunity to have submitted our work to [Insert Journal's Name] and the consideration it has received. We kindly ask for confirmation of the withdrawal of our article at your earliest convenience.

Thank you for your understanding.

Sincerely,

[Your Name]
