

Subject: Inquiry Regarding Journal Impact Factor Evaluation

Dear [Editor's Name],

I hope this message finds you well. I am writing to inquire about the evaluation process used to determine the impact factor of [Journal Name]. As a researcher in [Your Field of Study], I am keenly interested in understanding how impact factors are calculated and what factors contribute to your journal's standing in the academic community.

Specifically, I would appreciate any information regarding:

- The metrics used for evaluating citations
- How the journal ensures the reliability and validity of its impact factor
- Any recent changes or trends in impact factor calculation

Best regards,
