Subject: Feedback on [Title of Manuscript]

Dear [Author Name],

Thank you for the opportunity to review your manuscript titled "[Title of Manuscript]." I appreciate the interdisciplinary approach you have taken in your work. Below are my comments and suggestions for improvement:

General Feedback

Your manuscript presents important findings that could be beneficial to multiple fields. However, there are a few areas that require clarification and enhancement.

Strengths

- Innovative approach to the problem.
- Comprehensive literature review.
- Relevant data collection methods.

Areas for Improvement

1. Clarify the methodology to ensure reproducibility.
2. Provide more detailed discussions connecting the findings to multiple disciplines.
3. Address any potential biases in data interpretation.

Conclusion

Overall, your manuscript has the potential to contribute significantly to interdisciplinary research. I encourage you to address the points mentioned above before resubmission.

Thank you for your hard work and dedication to your research. I look forward to seeing the revised manuscript.

Best regards,
