Dear [Principal Investigator's Name],

We have completed our review of the risk assessment submitted for your project titled "[Project Title]." The Ethical Review Board has evaluated the potential risks associated with the study involving [brief description of study participant population or activities].

Based on our evaluation, we have determined that:

- Risks are considered minimal and manageable.
- Informed consent procedures are adequate.
- Mitigation strategies are appropriately outlined.

However, we recommend the following modifications to enhance participant safety:

- [Recommendation 1]
- [Recommendation 2]

We request that you address these recommendations and submit a revised risk assessment by [Insert Due Date]. Should you have any questions or require further clarification, please do not hesitate to contact us at [Contact Information].

Thank you for your commitment to ethical research practices.

Sincerely,

[Your Name]
