

# Inquiry for Reviewer Database Participation

Dear [Recipient's Name],

I hope this message finds you well. My name is [Your Name], and I am [Your Position] at [Your Institution/Organization]. We are in the process of establishing a comprehensive reviewer database for our upcoming projects/publications.

We believe that your expertise in [specific field or subject area] would greatly benefit our initiatives. We would like to inquire if you would be interested in joining our reviewer database for future assessments and reviews.

Participation in this database would involve occasional requests for your insights on submitted manuscripts, and we believe your contributions would be invaluable. If you are interested, please let us know, and we would be happy to provide additional details.

Thank you for considering this opportunity. We look forward to your response.

Best regards,

[Your Name]

[Your Position]
