

Dear [Author's Name],

I hope this message finds you well. After reviewing your manuscript titled "*[Current Title]*", I would like to suggest a potential retitling that could help capture the interest of a broader audience.

Suggested Title: "**[Proposed Title]**"

This title aims to encapsulate the essence of your research while appealing to readers' curiosity. I believe this could enhance the visibility and impact of your work.

Please let me know your thoughts on this suggestion.

Best regards,

[Your Name]

[Your Position]

[Your Institution]
