Dear [Editor's Name],

I hope this message finds you well. I am writing to suggest a potential retitling for our manuscript titled "[Current Title]." After careful consideration, I believe a revised title could significantly enhance the research impact and visibility of our findings.

Proposed New Title: "[Suggested New Title]"

This title captures the essence of our research and highlights its implications more effectively. It emphasizes [specific aspect of the research impact or significance], which I believe will attract a wider audience and better communicate the relevance of our work in the field.

Thank you for considering this suggestion. I look forward to your feedback and hope to contribute to the manuscript's successful publication.

Sincerely,

[Your Name]
