

Dear [Author's Name],

I hope this message finds you well. After reviewing your manuscript titled "[Current Title]," I would like to suggest a potential retitling that may better capture the key themes of your work.

Consider the title: "[Suggested Title]." This new title reflects the central focus on [Key Theme 1], [Key Theme 2], and [Key Theme 3], which are prevalent throughout your manuscript.

Thank you for your consideration of this suggestion. I believe this title will enhance the visibility and impact of your research.

Best regards,
