The Editor,

[Journal Address]

Dear [Editor's Name],

I hope this letter finds you well. I am writing to formally request the transfer of my manuscript titled "[**Manuscript Title**]" (Manuscript ID: [Manuscript ID]) from [Current Journal Name] to [New Journal Name].

Due to [brief reason for the transfer request, e.g., feedback from peers, alignment with the new journal's scope], I believe that my manuscript would be more appropriate for your journal.

I would appreciate it if you could guide me through the transfer process and let me know if there are any additional forms or information required from my side.

Thank you for considering my request. I look forward to your positive response.

Best regards,
