Dear [Editor Name],

I hope this message finds you well. I am writing to formally appeal the decision regarding the dual submission policy related to my manuscript titled "[Manuscript Title]," submitted on [Submission Date].

After receiving the feedback regarding the alleged dual submission, I would like to clarify that my manuscript was submitted to [Other Journal Name] on [Other Submission Date] solely for consideration, and it has not been accepted or published in any form. I believe there has been a misunderstanding regarding the timelines and submission statuses.

I greatly value the opportunity to publish in [Journal Name] and respectfully request that you reconsider the status of my submission. I am committed to adhering to all publication ethics and will ensure compliance with the journal's policies moving forward.

Thank you for considering my appeal. I look forward to your understanding and am eager to continue the publication process with [Journal Name].

Sincerely,
