Dear [Recipient Name],

I am writing to provide feedback on the dual submission policy outlined in [Document Name or Date of Policy]. I appreciate the clarity and intent behind the policy, ensuring that submissions are handled with integrity and respect for all authors.

However, there are a few points I would like to address:

1. **Transparency:** It would be beneficial to have clearer guidelines regarding the circumstances under which dual submissions are permissible.
2. **Communication:** Establishing a clearer communication protocol for authors to disclose dual submissions can enhance trust in the process.
3. **Consequences:** A defined list of consequences for breaching the policy could deter violation and encourage adherence.

Thank you for considering my feedback. I believe that with slight adjustments, the dual submission policy can better serve both authors and the reviewing bodies.

Sincerely,

[Your Name]
