Dear [Editor's Name],

I am writing to express my commitment to transparent peer review practices within the scope of my work submitted to [Journal Name]. I acknowledge the importance of transparency in the peer review process and believe it contributes significantly to the integrity and quality of scientific research.

In line with this commitment, I pledge to:

- Provide honest and constructive feedback on submitted manuscripts, ensuring a fair evaluation process.
- Disclose any potential conflicts of interest that may compromise the objectivity of my review.
- Respect the confidentiality of the manuscripts I review and refrain from discussing them with others until the official publication.
- Encourage the authors to be transparent about their research methods and data, in keeping with best practices in the field.

Thank you for considering my commitment to these principles. I look forward to contributing positively to the peer review process at [Journal Name].

Sincerely,
