

Data Validation Inquiry for Manuscript

Dear [Recipient's Name],

I hope this message finds you well. I am writing to inquire about the data validation process for my manuscript titled "[*Manuscript Title*]", which I submitted on [Submission Date].

As part of the review process, I would like to confirm the steps that are taken to ensure the integrity and accuracy of the data presented in my research. Specifically, I am interested in understanding:

- The criteria used for data validation during the review process.
- Any checks or analyses performed on the submitted data.
- How discrepancies, if found, are addressed.

Your guidance on these matters would be greatly appreciated, as it is essential for me to understand the validation measures in place for my work.

Thank you for your attention to this inquiry. I look forward to your prompt response.

Sincerely,
