As part of our ongoing efforts to maintain the integrity of our financial reporting and adherence to applicable regulations, we have implemented a comprehensive framework of financial controls.

This framework serves to mitigate risks and enhance the reliability of our financial statements. Key components of our financial controls include:

- Regular internal audits to assess the effectiveness of our controls
- Training programs for employees on compliance standards
- Establishing clear policies and procedures for financial transactions
- Regular review and monitoring of financial processes

We are confident that these measures will contribute to maintaining robust financial health and compliance within our organization. We welcome any inquiries you may have regarding our financial controls.
