Dear [Recipient Name],

I hope this message finds you well. I am writing to seek clarification regarding the capital gain tax calculation associated with my investment assets. I would like to ensure that my understanding is accurate and that I comply with all necessary regulations.

In particular, I am interested in how to calculate the capital gains from the sale of my investments, including any deductions or exemptions that may apply. Specifically, I have the following assets:

- [Asset Name 1] - Purchase Price: \$[Amount], Sale Price: \$[Amount]
- [Asset Name 2] - Purchase Price: \$[Amount], Sale Price: \$[Amount]
- [Asset Name 3] - Purchase Price: \$[Amount], Sale Price: \$[Amount]

Could you please provide a breakdown of how to properly calculate the capital gains for each of these assets, as well as any relevant deadlines or forms I need to be aware of?

Thank you for your assistance on this matter. I look forward to your prompt response.

Sincerely,

[Your Name]
